

Hall Hire Policies for different groups

Commercial Rate -

St Mark's wants to support local businesses and entrepreneurs. We do this by offering affordable room hire and discounts for block bookings (2 or more sessions per week). Please see our website for our competitive rates. In addition Commercial groups/individuals must agree to our "Terms for Hire of Premises."

Community Rate -

St Marks recognises the importance of community cohesion and the value that well run and accessible community groups can bring to a local area. To that end St Marks is pleased to offer room hire with significant reductions to community groups who act on a not-for-profit basis and whose values align with our values. In addition Community groups must agree to our "Terms for Hire of Premises."

Partnership Rate-

St Marks is a Christian church with its core values drawn from the life, death and resurrection of Jesus Christ. We believe that these values can have a transformative effect on those who encounter them. If a community group can demonstrate that it wants to play an active role in furthering our aims we are pleased to offer an even greater room hire discount. It would be up to the group to outline how it expects to play its part in our aims. In addition Partnership groups must agree to our "Terms for Hire of Premises."
